School Board Wrestles With Difficult Decisions.

A change to start the new school year was our new superintendent, Mr. Robert Fallon, from South Dakota. One of the most controversial issues to face the school board and our new superintendent involved Washington High School. This issue involved whether or not some Greene Twp. students should be allowed to attend John Glenn schools. South Bend School Board meetings were filled with parents concerned about their children's education and schooling. Even students and teachers spoke out their opin-

ions on the controversy. Some families felt closer to the North Liberty community, while others preferred to stay with the South Bend School Corporation and Washington High School. Other issues plagued the board at the start of the school as well, such as the secretaries' vote to unionize, teacher negotiations and local SAT scores.

Also, as we began the 1985-86 school year, our principal, Mr. Kaser, continued to temporarily fill the post of assistant superintendent of secondary education.

Students Speak Out

PANTHERS, OPINIONS

What does three hundred and thirty minutes of class time plus thirty more minutes equal? Eleven hundred irate students from Washington High School! That was the initial answer given when the students first heard of the extended school day decision made by the Indiana State Board of Education. Some students adjusted quite easily, while others felt the extra five minutes were still unnecessary. Here are some of the Panther's mixed opinions:

Q. What were your initial reactions when you first heard of the extended school day?

A. I didn't think I could handle the extra thirty minutes because I was already tired at the end of the day when

it was 2:35.

— Kevin Klingerman

A. I didn't think I could handle it.

— Becky Grochowalski

Q. How do you feel about it now?

A. It would be fine if it wasn't lecturing all hour. One's attention span doesn't seem to last an entire hour.

— Tammy Schoening

Q. Do the hours seem to "drag"?

A. No, it seems the same to me.

— Cindy Diaz

A. I didn't think that the five extra minutes would make much difference, but it does. The classes really do seem to drag now.

Freedom Of Summer Had Begun

It was that time of the year again. The final day of school. The last exam was taken and the freedom of summer had begun.

It was time to start sleeping late, wearing shorts, catching up on soap operas, and enjoying the many advantages of summer. It was time for students to express themselves, whether it be partying, swimming, vacations, going to the beach, baseball games, camp, or just hanging around with friends. The summer was

packed with many plans and lots of fun.

Just as the carefree and lazy daily routine seemed as if it would last forever, it was time for it all come to an end. The end of August had come, and it was time to get back into that old routine of getting up early and returning to school once again.

Though the summer had ended, we still had the next one to look forward to and the memories of the last one to get us through the year.

Panthers Make Tracks In South Bend!

All throughout South Bend, the tracks of a Panther can be found! The students at Washington High School take full advantage of the city's activities and facilities. For instance, one may find a Panther working in a local business, dancing in the Century Center at the Prom, or just taking a walk along the beautiful St. Joseph River. You may even see a Panther kayaking down the Olde East race, which draws people from all over the world! During the summer a Panther can always be spotted sampling a wide variety of foods at the Ethnic Festival. Our city offers many opportunities for young and old alike, so no matter where a Panther goes in South Bend, an exciting experience is sure to be found!

Panther Expressions Abound!

Students at Washington High School are full of expressions. Look around at ball games, classrooms, hallways and even at McDonald's; Panther expressions abound

The vitality of Washington is in fact reflected in the enthusiasm and vigor of its students. Our students make their own fun, create their own spirit and carry on the Panther tradition with pride!

Summer Was An Object Of The Past

The halls of Washington High School began to ring again with the voices of students. The school year of 1985-86 had started this time in August instead of September. The summer was an object of the past and it was time to return to books, classes, teachers, and learning. The prowl was on for the annual purchase of school supplies and clothes. clothes, clothes! Some Panther students looked forward to a fresh start, even though it meant

getting up earlier than usual. The excitement of attending football games, dances, and other activities became a reality once again. Another Panther year is underway.

Prom Provided "One More Night" Of Memories

Friday, May 10, was the date of the 1985 Junior-Senior prom. As the evening soon came around, excitement was everywhere. In the classrooms and the halls, the talk of everyone's plans for the big night were discussed. The prom held very special memories for each couple that attended.

"One More Night" was chosen as the song and the theme for the evening. The colors were pink and gray. The band cho-

sen was This End Up.

The evening involved many things such as dinner, dancing, the taking of pictures, or enjoying a moonlight stroll. As the evening progressed, couples awaited the announcing of the Princess and Queen. Stephanie Huffine was crowned Princess and Beth Knowlton was crowned Queen. Once again, the prom provided "One More Night" of memories.

Ready Or Not — Here They Go GRADUATION 1985

The final moments have arrived! No more half passes, tardy bells or deadlines to worry about. Graduation marks the beginning of freedom for the seniors, so it's a joyous occasion. However, for many, graduation brings about many tears. Friends separate and go their own ways. Many go to college while others go out to find jobs. They have to leave be-

hind them the exciting football and basketball games, the fun dances, and all the other fond memories of their high school days. Ready or not, word! Here comes the class of '85!

Panther Cheerleaders

"Washington High School, Hats off to thee,
To our colors, True we shall ever be
"

Our cheerleaders led us thru our school song many times during pep assemblies, football games and basketball games.

Tryouts for this year's cheerleading squads were held in April of last year. We began practicing in June. In August Jodie Bilinski, Amy Coppens, and Gayle Carothers attended U.S.C.A. cheerleading camp held at St. Mary's College. Fundraisers held throughout the year were a car wash, school dance and the selling of W.H.S. pennants.

The funds received were used for the purchase of new uniforms adding even more pizzazz to their appearance. With their combined efforts, the cheerleaders were able to look as good as they cheered.

The 1985-1986 Varsity, B-Team, and Freshman cheerleaders combine themselves to form a mound just as they combine their talents throughout the entire year to learn and teach the Panther spirit and pep assembly.

Freshman cheerleaders: Rachel Ebel, Lisa Hawke, Carla Crittendon, Marcie Tracas, Shawna Jackson.

B-Team cheerleader: LaTasha Barnes, Ingrid Shell, Cindy Katovich, Deenee Janiszewski, Raquel Harris.

The 1985 Washington High School football team went through a tough and brutal season, going 0-9.

Although, the team's statistics are not that impressive, there were a number of individual standouts.

The quarterback Terry Bargielski threw for 317 yards, averaging 15.1 yards per completion. James "Mooky" Thorpe rushed for 405 yards. Out of the backfield as a receiver, he caught 2 T.D. passes.

The defensive standouts include Bruce Smith with 48 solo tackles. Ricky King caused 3 fumbles and recovered 2 others.

Volleyball players put in

The Varsity Volleyball team, under the direction of Coach Bruce Urban, Ass't Coach Sherry Szalewski, and the Co-captions Wendy Vanslager and Colleen Dipple unfortunately did not have as good a season as they had expected.

The team's 4-14 record does not tell the whole story. During the LaPorte game the team came from behind for the

win. We also defeated LaSalle, M C Marquette and Marion. Those three teams along with the victory against LaPorte were wins against teams that we had never beaten before.

With the return of all but two team members, the 86-87 team is assured a winning season.

Boy's And Girl's Cross Country Use Teamwork

The Boy's Cross country team got underway with Coach Alspaugh and eleven members. Even though this year's performance wasn't what they wanted, at least two goals were met.

Understanding that Cross Country is a sport that requires dedication, hard work, and lots of endurance, team members must exercise considerable self-discipline in daily practices alone.

Coach Alspaugh said that the team did meet their two basic goals this season. One was to improve last year's victories total and the other to win a conference meet. They did both with victories over John Glenn and LaVille. This year Brian Piotrowicz lettered for his fourth year and also won the team's MVP award. Captains for this year were Dale Tafelski and Brian Piotrowicz.

Below: Cindy Stallworth (middle) hams it up while teammates (left to right) Kym Black, John DeCocq, Craig Lekarczyk, and John Sekendy look on. Far right: Danny Kobold, Mark Brahm, and Craig Lekarczyk look over team results.

The Girl's Cross Country team was exceptional in that they were able to do very well even though the odds were against them. The girls had a small team this year with only seven members. The team was also plagued with the almost predictable knee and ankle injuries. Even so, the girls fought hard and performed well ending the season with a record of 1-10 and a conference record of 1-8. The leading runner was Cindy Stallworth who broke the sophomore record at New Prairie with a 17:41 for 2.4 miles. Captains for this year were Kym Black and Lynn Chrzan.

Girls' Swimming . . .

The girl's swimming team led by Coach Kristi Walz, Assn't Coach Maria Harrison and Co-captains Sue Barczykowski, and Linda Laney had an intense season this year with a record of 2-10.

In the win against Bremen, Sue Barczykowski broke the 50 yard and 100 yard freestyle records. She did the 50 yard freestyle in 26.1 and the 100 yard frees-

tyle in 59.6. Sue Barczykowski and Linda Laney also made the finals in the South Bend Girls' Sectionals. The 1985-86 Boys' Wrestling Team are some of the best conditioned and best coached athletes at WHS. This year's team is lead by co-captains Bruce Smith and Billy Briones who post the respectable records of 17-3 and 11-4 respectively. This year's boys' swim team, under coach Andy Wolf, posted a 3-9-1 record, the best since 1979. The team recorded wins against Howe Military, New Prairie, and Westside rival LaSalle. The team was led by captains Senior Mark Dahms and junior Randy VanWynsberg. Seniors Paul Ring, Niklas Soderholm, and Mark Dahms, each had two personal bests against LaSalle. Other swimmers with two personal bests in the 91 to 80 victory over LaSalle include John DeCocq, Paul Knabenshue, Chris Nyikos, Tony Imel, Kevin Brzezinski, Rodney Lowe, and Jeff Kyle. Randy VanWynsberg was a swimmer of the meet. The Panther swim team is sure to be tough in the future.

Defense

Coach Michael Otolski's second varsity squad at WHS, with the return of six lettermen, was a matured team from last year. Hard work at each practice allowed for a strong defense and an awesome offense at game time. Seniors Brian Miller, Jimmy Jackson, and Kevin Kowalski kept the Panthers battling on the boards, while seniors Eric Crittendon and Michael Cooper led the Panther's break, with help from seniors Isaac Hunt and Dale Tafelski. Talented juniors Tim King, Bruce Taylor, Tony Pellico and James Thorne return next year.

Lady Panthers Rebuild

The Lady Panthers struggled this year to rebuild with only two returning letter winners. Leading Coach Bruce Urban's team this year, were the captains, Sophomore Cindy Stallworth and Junior Lisa Scott. Urban, along with assistant B-team coach Jim Dumbinski, saw promising, unfolding talent develop from Juniors Rochelle Jones and Kirsten Gustafson, who contributed greatly to the team after an absence of the last two seasons.

Some other factors that carried the team were the shooting and ball handling of sophomores Shawn Huffine and Briget Pajakowski. The rebounding and inside play of junior Monica Richardson and sophomore Anne Wiesniewski and the defense and quickness of sophomore Heather Woods contributed greatly.

Even though the season was one of disappointment the team shows great promise. We anticipate a bright future for next year when all nine letter winners will be returning.

The Quest For

The 1985 Panther baseball team began the season very optimistically. Training began on Jan. 6 with running, lifting, more running, push ups and sit ups and still more running. The 1985 team showed not only athletic ability but also academic excellency with an average team G.P.A. of 3.5. Along with physical and mental ability, they all shared the same goal — to Win!

The Panther's regular season play showed remarkable improvement from the previous year, finishing with a record of 26 and 6. During the season, the Panther ball club traveled to Indianapolis to play Indianapolis Marshall and split a doubleheader. Disappointed at winning only one game, tri-captain Junior Baldaras, as well as the whole team, vowed to "be back when it counts."

At the arrival of Sectionals, the Panthers looked to settle two points. One to avenge 5 losses to St. Joe and the other to area coaches who felt none of the W.H.S. ball players qualified for the All Conference Team. The team proved the first with a 18-0 victory over St. Joe and for the first time in 19 years of South Bend Sectional action, the Panthers made history by putting the 15-run rule into effect. After defeating Riley in the second game, the Panthers met LaSalle in Sectional Championship action. The game brought more than 900 fans to cheer the team and pitcher Brian Piotrowicz in a fantastic performance. With a strong team effort and outstanding in-field plays by Mike Young, Troy Rybicki, and Ronnie Mejer, the Panthers clinched the Sectional title. The Panthers indeed proved their point in South Bend!

Even in 90 degree weather, Washington handled Westview easily with a 17-7 victory in the first game of Regional play. With only a few hours rest, the Panthers met Elkhart Memorial for the championship game. With both Washington and Elkhart Memorial sharing the Northern Conference title, both teams were out to prove that they were the better of the two. The game then became two championships in one with the Panthers defeating Memorial 1-0 with credit to Brent Szynski who scored the winning run in the 1st inning on a wild pitch.

As Washington moved on to the Semi State, they displayed out field defense at its finest, defeating Munster 1-0 and Chesterton 4-3. Scott Rankert and Brent Szynski turned in memorable performances and were referred to as "human vacuum cleaners" as they caught anything hit into the out field.

Once again, the Panthers were off to Indy. The State opener played at Bush Stadium was between two equally matched teams. Brian Piotrowicz led the Panthers on the mound against Jennings County. The Panthers refused to crack, and once again became a part of history by participating in the longest game in State finals history which consisted of 12 innings — a three hour and 28 minute struggle. A home run in the sixth gave Jennings County the lead. Kevin Klingerman walked to the plate at the top of the seventh. With two outs, he had one chance to bring in Ronnie Mejer from third for the tying run. After two strikes, Klingerman tapped a game saving base hit to right field bringing in Mejer. In the top of the twelfth Piotrowicz drove in Rankert for the fourth run and Norm Bogunia was walked to force number 5. The Washington Panthers advanced to the State Championship game by defeating Jennings County 5-3.

The Panthers met the Kokomo Wildcats in the final game of the State Championship. The Panthers fought hard in spite of fatigue from the marathon game the night before. Ronnie Mejer and Brian Piotrowicz each scored a run, but it was not enough to pull off the final game. Even so, we couldn't have been prouder of our Panther baseball team whose dedication and determination carried them all the way and made them winners in every sense of the word!

The 1985 Washington High School B-Baseball team had some very impressive moments over the season. The team was lead and coached by Glen Duddleson and managed by AnnMarie McCarthy. The team completed the entire season with a 12-12-1 record. They constantly worked to their extent, whether it was on the field, during their painful and hard conditioning practices, or in the classroom. They succeeded triumphantly in the Jimtown Invitational by defeating Michigan City Elston 6-4 and Mishawaka 8-6. Standouts on the team were Harold Palmer, Tony Pellico, and Scott Fahey.

Advantage Panthers

The 1985 Girls Tennis Team had an outstanding year even though the record was a losing one. A lot of freshmen and sophomores came out. The foreign Exchange student, Christina Plantinga was a surprising and welcome addition. The team came a long way with the coaching of Rod Sniadicki, a former tennis player at WHS, now coaching the girls' tennis team. The assistance of Terry Poindexter was also valued.

Victory was the standard for the '85 girls' track team. They finished their season with 8 wins and 2 losses. Obviously the girls dominated the sport locally. This honor didn't go without dedication and hard work of both the team and the coaches. The cornerstone of the girls' success was that the team really stuck together. Our girls really showed what they were made of when they placed second in the City Meet, behind LaSalle H.S. with the score of 74. Next they placed fourth in the Princess Relays with a score of 36. Rounding out the season, the girls set their sites on the sectional where they took third. They also placed third in the Regionals which is really showing what Panther Pride is made of.

Reaching For . . .

Boy's track dashed, leaped, pole vaulted and threw for the Panther Pride. Although the track record did not always prove it so, the team had a good year. Our boy's track had all the dedication desired, and then some, to reach their goals. The fine coaching of head coach Bob Lott, and asst. coach, Tom Lurie, was reflected in the hard work of the team. Though at times it was tough, they kept a strong stride. Their hard work wasn't void of reward, because a dedicated senior, Charles Black, was able to go to State with his shot put. Though the boy's weren't the most successful team, they put their best foot forward. We know that this year's team will be even stronger and reach even further

Leading the Way

The WHS counselors help our students choose classes which will suit their future needs. They must schedule 1,100 students and make sure they have the proper requirements for graduation. This is not always an easy task because they have to make sure the classes are balanced for students and staff.

Additionally, they keep students informed on the dates and location for the PSAT, SAT, vocational, and aptitude tests. Being a counselor also means helping students with problems in and often out of school.

The Washington counselors do a fine job of keeping us all organized throughout the year.

Of Communication

English — it's an old product but now "new" and "improved" with forty per cent new staff in the last two years. There are all types of English classes to experiment with at Washington. Besides basic and regular English, honors English broadens horizons through the world of literature and composition. Not to be forgotten is the A P class, enjoyed by those who love hard work and are willing to study to the max! Additional bonuses resulting from these "products" include essays, research papers, reports, speeches, thesis statements — all this and more!

Molding Emotions

The art department has had a very exciting year. Mr. Pilarski, Mr. Meunick, and Mr. Weber, once again, patiently helped students create their own work of art. Students learned to mold their emotions by using paints, pencils, and clay.

This year our WHS students won first prize of \$100 for the mural they painted on the First Square Bank window. Another mural drawn by Chris Ross was of the Chicago Bears in the window of our local Kroger's. A senior, Jodie Tunis, was a Gold Key winner in the regional Scholastic Art Awards sponsored by L.S. Arves.

Adopting A Second Language

Many new phrases become everyday words in Washington's foreign language classes. These classes include French, German, Latin, and Spanish. The basic mechanics of the language are taught along with the customs, cultures, and lifestyles of the country. These classes are fun and interesting to take but hard work, as the students spend time conjugating verbs, constructing sentences, and memorizing tenses.

After a student masters the fundamental rules of the language, he faces a problem of expressing himself correctly. Films, visual aids, and language arts help the students in adopting a second language here at WHS.

In this day and age, most people find that it is easier to do things for themselves than it is to pay others to do it for them. The Industrial Arts department teaches students important skills like fixing their own cars, making their own tools, and building their own furniture. Some, however, take these classes to become more familiar with the work that is involved in the industrial field.

Auto mechanics gives students the opportunity to learn about and to repair cars. Wood shop gives students the opportunity to show their creativity in the area of building cabinets, desks, chairs, and other furniture.

Washington Knows Its Business

Washington High School offers a variety of business classes to help students meet the responsibilities that they are about to face in the business world. Courses such as typing, shorthand, accounting, record keeping, office procedures, word processing, and business law prepare students both for their needs now and for their needs in their future career choices.

Co-Op Trains For The Job

Washington High School offers several special programs which allow students to work part time while they go to school. Not only do the students get training in the classroom but also on the job as they carry out duties assigned to them. The co-op programs that Washington High School offers are DE which is related to retailing, ICT for students who are interested in working in an industrial or medical environment, COE for students working in business related jobs, and HERO for students involved in any type of food service. New this year is HOC, Health Occupation CO-OP, held at Ivy Tech for the five area high schools. The students are trained in fields of nursing, optometry, dental hygiene and other health related occupations.

Under the leadership of a new director, Mr. Grayling Hawkins, the band performed at various events throughout the season. Starting with a three week band camp, the band prepared for football halftime shows and the All City Marching Band Festival. The annual jazz "Soundsations", solo and ensemble contest, and full band competition rounded out a busy agenda. In addition, members were chosen to participate in the all city All-Star Band which performed in The West Side Memorial Day parade brought the year to a close.

Once again, the W.H.S. orchestra has had a very busy year. Under the direction of Mr. Jay Miller, the orchestra participated in a variety of events such as accompaniment for skits in the fall Talent Show and performing in the Ali-City "String-A-Long". Next the orchestra began a series of tours in which they played for the area elementary schools and Logan Center Preparations soon began for the Christmas Concert and the annual Winter Concert which they shared with the band. Participation in the musical, "Damn Yankees" preceded the Spring Concert, and to finish off the year, the orchestra will have the honor of performing at the Senior Commencement exercises.

For the choir members of Washington High School, this was a year for firsts. For the first time, Concert Choir was offered at "zero hour" due to the new time schedule. Even though this class began at 6:40 a.m., desire and dedication was evident with approximately 50 students participating. Also for the first time, letter sweaters were awarded to the choir members for their performance and loyalty.

The Jays and Dots Swing Choir also had another busy year with many public performances as well as Talent Shows and the annual Christmas and Spring concerts.

Talent abounds at W.H.S. Everywhere you look, achievements are being made in such fields as academics, art, sports, and even spelling. By becoming involved and participating in activities that relate to one's own interests, many students found that dedication as well as talent allowed their positive qualities to shine and be recognized.

They Take Good Care Of W.H.S.

The dedicated security officers and hall guards work long hours ensuring safety and cooperation among students and teachers. Their tasks are neither easy nor enjoyable, but must be done.

The cafeteria staff is also commendable. While preparing school lunches for approximately 1100 kids is difficult, the ladies work hard each day to see that it is accomplished. We thank them for their devoted service to WHS.

We've Got Spirit . . .

Panthers showed enthusiasm during Spirit Week by participating in several "off the wall" activities. Corridors assigned to each class for demonstration of spirit and pride was very successful.

Throughout the week the student body was asked to dress according to daily themes. Monday, sports day, everyone wore sweat suits and sport attire. On Tuesday, rainbow color day, seniors wore red, juniors wore purple, sophomores yellow, and freshmen blue. The fifties was Wednesday's theme and all the greasers and socials united under Panther pride. Thursday was hat day, some of the most bizarre adornments were worn that day. School color day was Friday. It was also the day of the homecoming pep assembly. The gym was full of rowdie Panthers, most of which were wearing green, white or gold. Because the whole school did such an excellent job, expressing their pride, two spirit sticks were awarded. One to the juniors and the other went to the seniors. Thanks to the student body, the pride and spirit of the Panther lives on and on and on.

Homecoming Spirits Soar

A lively spirit week got Football Homecoming '85 off to a fine start, with all classes participating. At Friday's pep assembly, the football homecoming court was presented, and the spirit stick was awarded to the Junior class for their hail decorations. The Seniors were also awarded as the class with the most spirit. After the assembly the court was treated to breakfast at Azar's.

TASTE OF TALENT

W.H.S. TALENT ABOUNDS

Everyone knows that he has talent, so the 1985 "A Taste of Talent" gave W.H.S. students and faculty a chance to show it. A lot of time and effort went into producing the show — not just on stage but also back stage with lights, set, and sound. The varieties of acts ranged from rapping (musical rhymes) to poetry readings, several band performances, Guys and Dolls swing choir, magic shows, fashion review, and assorted duets and solos. Even the faculty had a chance to show that they still have talent.

Mrs. Natkes, Mrs. Wever, and Mr. Miller put together a great show that gave the audience a taste of Panther talent.

On Nov 21 and 22, 1985, the stars did shine" Under the direction of first year director Mrs. Wever, the W H S Drama department produced an excellent play entitled "Inside Out". The fall play was different from many previously performed here at W H S. These plays were touching, honest, daring, and delightful. Instead of doing a "classic", Mrs. Weyer decided to do something new. She did a play about high school students written by high school students. Titled "That Day," "Inside Out," and "Who?", all three were filled to overflowing with understanding, compassion, and emotion. A fourth one act was written by one of our own Panthers, junior Rochelle Jones. A great deal of work was put into each actor's performance. The help of Dean Whitesel on set and lighting and student director Tammy McLane should not go unnoticed either.

Cast members included Savannah Albert, Doreen Bottom, Mike Bittner, Francesca Daniels, John DeCocq, Raquel Discavage, Beth Ditmire, Todd Ditmire, Angie Green, Gary Harmacinski, Amy Lang, Terry Poindexter, Kim Putz, Angelique Romanowski, Jodie Tunis, and Mike Yarbrough. To all that helped the "voice of a younger generation" be heard, Thank You.

I am very proud of the cast and crew of "Inside Out" and hope that you enjoyed it as much as we did. Thank you for your support and for making this a successful play. Sincerely, Mrs. Wever.

ACTION

"Look out Broadway, here we come!" Once again the Washington Drama Club has proven it self very popular. This year's new director, Mrs Sandra Weyer, tried to develop members' confidence and competency in dealing with audiences. With the help of drama club WHS put on another truly terrific play, "Inside/Out". They also spent time working on the Variety Show and spring musical "Damn Yankees".

Some dedicated members participated in the Northern Indiana Thespian Conference at Century Center. True also to past performances were the difficulties of getting all members together for meetings; but Mrs. Weyer prevailed, ever to show a profit in the club candy sales and planned a trip to a production of "The Christmas Carol" during the Christmas season. The 85-86 Drama Club officers were: President Larry Strader, Vice President Dean Whitesel, Secretary Diane Suth, Treasurer Frankie Daniels, and Historian Joe Aleo.

Ushers Help Out

The Usher Club is a voluntary service organization at Washington High School. Each year, members join to help with the passing out of tickets and programs at the various auditorium activities, such as plays, band and orchestra concerts, talent shows and choir concerts. With the help of the Usher Club, sponsored by Mrs. Leatherman, all of these events are able to run smoothly.

With many hours of dedication, the Hatchet staff has produced the bi-weekly newspaper under the leadership of Editor Chris Sobieralski and advisor Mrs. Marilyn Fodor.

The editorial staff has been working on bringing more student names into the paper along with student polls on current issues, such as how students feel about the length of classes this year.

The new photo journalism class taught by Mr. Weber, worked to increase both the amount and quality of photo coverage for polls and articles. The production of the Hatchet has also been helped by the use of computers over the last few years, and by a more in depth approach developed for news and feature articles.

Hatchet chops way to success

Making memories last

This year the Memory Lane was lucky to have the talents of both old and new members, all with fresh ideas and the determination to carry these ideas out.

Editor-in-chief Monica MacGowan and assistant Editor-in-chief Julie Rozmarynowski were quickly initiated when they had to meet their first deadline single handedly. After that, the group shared the responsibilities and worked many long hours on endless layouts and hard-to-write copy. The longer hours consisted of decisions to be made, deadlines to be met and even Wendy's carryouts!

Mr. Weber's 3rd hour did a great job of editing and printing countless photos for the editors to sort and select. Having these photos available on the spot was an advance we all truly appreciated.

Somehow the stacks of photos, hundreds of blank copy sheets, and unimagined layouts came together to tell the story of another year at Washington High School. The frenzy, frayed nerves, short tempers,

and many missed classes all became a part of the accepted deadline ritual.

Despite hard work, being a part of the staff was a fun and rewarding experience for all who strove to make the 1985-86 Memory Lane a special one.

Pantherettes Sport . . .

The WHS Pantherettes perform vigorously at many school and community functions, carrying enthusiasm and Panther pride to ball games, parades and pep assemblies.

The varsity squad is required to attend camp which was held at Valparaiso last year. Members of the B-team also attended a camp at Bethel College. Both squads won ribbons as well as gained several new ideas for future routines. Throughout the year each performance proved that all their effort had been well worth it.

The varsity squad is captained by Colleen Dippel, Sue Bonek, and Amy Lang. B-team captains are Lori Abraham and Julie Wesolowski.

The Multi-Cultural Club is set up to provide an opportunity for students to develop through organized education and cultural programs. Another purpose of the club is to increase individual self-esteem, awareness of opportunities, and an understanding of ourselves and others. Goals of the club are to strive for educational excellence, to encourage and support fellow minority students towards academic growth and development, and to grow to respect, appreciate, and understand the importance of different cultures and heritage. The club is sponsored by Mrs. Timotea Moreno and Mrs. Elaine Fries. This year's club consists of twenty-five students with Pres. Maria Olivarez, Vice-Pres. Viola DeLeon, Tres Rogelio Olivarez, Sec. Anna Rodriguez, Sergeant at arms Rigoberto Olivarez and Julia Zavala.

The Washington High Student Government is set up to communicate with the administrators and students on all matters concerning students. Members of the student government are to represent the total student population of the school. The student government can sponsor many activities such as clothing and food drives, student exchange day with other schools, and school dances. Mrs. Moreno is the sponsor of the group comprised of Seniors, Juniors, Sophomores, and Freshmen.

Speech and Debate, although somewhat new to Washington, has become as popular here as it is in the state. This year's team started small but grew rapidly. The team attended meets at Saint Joseph's, Columbia City, and at Elkhart Center High Schools. The team also attended sectionals on March 15, where they competed in eleven categories, which included: Domestic Extemporaneous, Foreign Extemporaneous, Discussion, Poetry, Broadcasting, Impromptu, Humorous and Dramatic Interpretation, Oratorical and Duo Interpretation, and Original Oratory.

Mrs. Moreno, proud sponsor of Adopt A School

The Adopt-A-School program at Washington High School was set up by Memorial Hospital of South Bend in collaboration with the South Bend Area Chamber of Commerce, Inc. It is a program designed to give Sophomores a chance to gain information about jobs and job opportunities. Twenty-seven students, under the guidance of Mrs. Moreno, traveled to Memorial Hospital on Thursdays, from September to December. They stayed at the hospital for two hours observing over forty different jobs in twenty-six departments.

The National Honor Society is an organization which honors the excellent academic achievements of its members. An introductory dinner was held last year to accept new members into the club. Many activities, such as working at the American Lung Association Christmas Tree in University Park Mall, are planned for the students to aid in public service. The Washington NHS, along with sponsors Mrs. Milon and Mrs. Drapek, look forward to a successful year.

English: Not The Only Language At Washington

Hey Tina Dudeck, save some for the rest of us!

Washington not only teaches English, but also four other interesting languages. The Language Club continues to grow in size and popularity. It is made up of students from our French, German, Latin, and Spanish classes. On November 22, the members participated in a chicken dinner, a successful fund raiser planned to help defray the expense of the annual trip to Chicago. The day of shopping, dinner, and play or theater presentation is a highlight which is anticipated by each member.

Students Devoted To A Dream

Many students attending Washington High School have a wide range of talents and skills. The Black History Program takes place every February, which is Black History month. This program gives students a chance to exhibit their talent. Seniors down to freshmen participate.

Last year the students experimented with a new twist: a skit was performed. Adding a new aura of significance, the skit concentrated on the hardships and labors of today's black man.

Students at WHS are living what was once only a dream.

Doing The Quiz Bowl Shuffle

Quiz Bowl is a relative newcomer to the circle of competitive sports at WHS. Patterned after the college Quiz Bowl, participants answer questions ranging from sports and general knowledge, to science and the fine arts. Sponsored by Mr. Killeen and Mr. Claus, the WHS Quiz Bowl team has had success since its inception three years ago. Mrs. Drapek and Mr. Dzubinski assist the team as judge and timer, respectively.

Opportunities And Activities

Opportunities and activities galore that describes the Washington High School FFA organization. Many members attend the State FFA Convention at Purdue University and National FFA Convention at Kansas City, MO. Dan Garber recieved the state FFA degree in June 1985; awarded to only 5% of all Indiana Vocational Agriculture students. Horse judging was also a new area for Washington FFA'ers. Members placed third in area contest and qualified for state competition.

FFA week held annually during George Washington's birthday is a busy time for WHS FFA members, too. Members inform South Bend residents about agriculture and the FFA. The agriculture program is proud of its new class offering of Animal Science. With all of this, add recreation and sports to the list, so FFA becomes a club for all.

Jr. Waltons Preserve Our World

The Jr. Waltons are one of two high school conservation groups in Washington High School. The club partakes in environmental education outings as well as putting their newly acquired knowledge into actions to upgrade the quality of the national surroundings. During the 85-86 season, the group journeyed to Jasper Pulaski Wildlife Refuge in Medaryville. They also attended the St. Joseph Chapter Izaak Walton League meetings at the club grounds, toured Twin Branch Fish Hatchery in Mishawaka and traveled to Fernwood Nature Center in Buchanan. In the spring, the Jr. Waltons hosted the annual tree give-away at the IWL grounds. The club is guided by Stan Klaybor, sponsor.

Washington High Welcomes

Originating from Hyvinkaa, in the southern part of Finland, a small country of 48 million people in Scandinavia, is **Katarina Jalassola**. "Kata," as she is known, is staying with Ellen Kuntz and family. Kata became an exchange student to learn a new culture and English. Some of Kata's favorite past times are fencing, art, and shopping. With friends, she enjoys dancing, movies, sports, and "just being around." As many exchange students observe, American schooling is sometimes different from what they're familiar with. Kata feels education in Finland is stressed more, with fewer sports available. Kata thinks Americans are more friendly and open, and they care about each other. New experiences for

her were sweet potatoes and roller skating. Kata has visited places such as Chicago, Kentucky, Washington, and Italy. Although she'll return to her parents and sisters, she hopes to one day visit the U.S. again. As she settles into an American routine, Kata notices how time is passing quickly. She would like to thank all her friends, for they made the year very special.

Another of our foreign friends, **Chehab Wahby**, is enjoying himself in America. Chehab, from Germany, is staying with Nick Ciesielski and his family. Although on the way to South Bend there was slight anxiety, Chehab wasn't very nervous. An avid traveller, he has been to England, Egypt, Italy, Switzerland,

Greece, Spain, France, and the Netherlands, as well as some American states. Chehab is an enthusiastic sports fan also. He likes wind-surfing, swimming, water skiing and ice and roller skating. At Washington, Chehab participated in Cross Country and Track, and in Germany he was state champ in the high jump. Other activities Chehab enjoys are dancing, movies, basketball and football, computers, writing for his German newspaper and "anything fun!" Although Chehab has adjusted well to American life, he misses the independence of being able to drive. When he returns home, he feels he'll miss his U.S. friends and school. Some of the foods Chehab has been acquainted with while in America are sweet potatoes, Mexican food, rootbeer, different cereals, and the various flavors of popcorn, while developing his taste for pizza (five days a week, Chehab?!). Back in Germany, Chehab plans to finish high school, which is different from ours. Their system is three separate types: Regular (up to 9th grade), Honors (10th grade

Foreign Exchange Students

being the highest), and Advanced (where the highest grade is 13th). The last two years are the most important. Chehab feels that here there is more school pride and more school related activities are offered. After high school, Chehab plans to attend college, where he hopes to work with computers, journalism, or graphic animation.

Andre Zouvi comes from Brazil in South America. While in the States, his host family is with Bill McCoy. In America, Andre enjoys playing football, baseball, tennis skiing, and soccer. In Brazil, Andre is an avid surfer and soccer player, the two biggest sports in his country. At Washington, he has participated on the tennis and soccer teams. School in Brazil is from 7:45 until noon, and the twelve courses are divided into forty minute classes that meet two or three times a week. School is also in session on Saturdays. Another difference is the weather. During summer, it can get up to 100° or more, and a Brazilian winter is between 75° to 80°. Andre soon experienced what a winter in South Bend was like. One thing he's done here that isn't possible in Brazil is snow ski, which he finds exciting but "very cold, even though it is fun." Although Andre likes America, he misses his family, girlfriend, and surfing in Brazil. After his American stay is over, Andre feels he'll miss sports, his friends and family, snow, and cheerleaders.

We also have an Exchange student from Chile. **Karin Schualdt** originates from a city called Arica. Although she is a little homesick, she has made American friends. Karin likes to play ping-pong and tennis (she was on the W.H.S. team). In Chile she lives five minutes from the Pacific Ocean and she loves to waterski and windsurf. Other favorites are drawing, music, singing, and talking on the phone. One thing hard for Karin to adjust to is her curfew, which she doesn't have in Chile. Karin is very pleased with her host family, the Sinkiewicz's. In Karin's words, "They are great!"

Nick Soderholm is the exchange student from Sweden. He became one to experience independence and learn a new language. The youngest in a family of five, Nick was mostly worried about his host family before coming to the U.S. Now Nick feels comfortable with Mike Dials and his family. Nick enjoys windsurfing, waterskiing, and skiing, and was on the Washington swim and golf teams. Although team practice takes up much time, Nick likes going to parties, dancing, and movies. He feels that Americans are friendly and stay home more often. When he returns to Sweden, he plans to finish school.

Seniors Reach The End

How many times were we told that our high school years would go by too fast, but with every ring of the alarm we thought it couldn't go by fast enough! Well, the years have gone too fast and graduation is around the next corner. Looking back to our freshman year, we remember our first class meeting in the auditorium with Mr. Kaser telling us to "get involved" and make our high school years a success. We decided to take that advice and have all the memories to prove it.

With schedules in hand and classes to be found, we began our freshman year feeling a little lost and overwhelmed. Despite the tradition of being "boo-ed" at during the pep assemblies, our expectations for the future were high. We made it through that first year and celebrated the last day with a picnic at Potato Creek.

Sophomore year took us one step closer to the top. With a year behind us we were more accustomed to the routine and had gained a lot more confidence. We proudly displayed our new class rings and continued to create friendships and memories to last a lifetime.

Junior year proved to be eventful. Our class became more involved by taking part in the Spirit Weeks and planning Basketball

Homecoming. Our softball team had a very successful season and our baseball team's winning record took us down state! For many, the highlight of the year was the Prom, which created special memories for all who attended. At the end of the year, anticipation grew as our Senior year quickly approached.

When our Senior year finally arrived, it came with many responsibilities and decisions for our futures. The school year began with a new time schedule and 60 minute classes. Pep assemblies were once again allowed and we showed off our Senior spirit and pride. We attended the final football and basketball games of our high school careers and looked forward to what promised to be another successful baseball season. As graduation approached college decisions were finalized and final exams were taken.

With the end of our Senior year, we close the door to the past and reach for the unfamiliar door of the future. No one knows what's behind that door, but it's the responsibility of each and every one of us to use what we've learned over the last four years to make the very best of all that life brings, and move ever onward.

As we
move on

May our dreams
never fade,
May our compassion
never die,
May our goals
never be lowered,
May our values
never be compromised,
May our treasured memories
never be lost,
May our lessons learned
never be forgotten

Time Capsule 1986

The cost of a movie ticket was \$4.50

A cassette tape went for \$7.99

One pack of cigarettes cost 95¢

One pair of sunglasses went for approximately, \$10.00

A pair of the original Levi 501's went for anywhere from \$12.99 to \$24.99 (Depending on where you shopped or what sales you took advantage of)

A small bottle of men's Polo cologne went for \$15.00 and as for the women, a small bottle of Gloria Vanderbilt perfume went for 15.00 also

The usual haircut, style, and a perm went for around \$58.00.

The ever popular swiss quartz Swatch cost a person around \$30.00

The "in" and stylish Forenza sweater made sales at the average of \$39.00 each

A pair of Guess jeans cost \$52.00

The ever famous McDonald's Big Mac went for \$1.39. As for a large French fry, it went for 69¢ and the large Coke went for 79¢.

The price of a phone call remained at 25¢

The postage stamp continues to go up, now at 22¢.

The average price for a gallon of gas was about \$1.23

An average magazine, such as *Seventeen*, cost about \$1.50

The local South Bend Tribune went at a reasonable 25¢ a paper

This year's yearbook went at very reasonable price of \$16.00

A W.H.S. Basketball game ticket (student) sold for \$1.50

A hot lunch in our cafeteria cost 90¢

A can of pop averaged at 45¢

From the extra sweet boyfriends came a dozen roses, which sold at around \$32.00

THIS YEAR'S JUNIOR CLASS HAS SHOWN OUTSTANDING PANTHER PRIDE AND OVERWHELMING ENTHUSIASM. THIS WAS PROVEN WHEN THEY RECEIVED A SPIRIT STICK DURING THE FOOTBALL HOMECOMING PEP-ASSEMBLY AT THE END OF THE SPIRIT WEEK FOR BEST DECORATIONS.

WITH THE HELP OF THE CLASS SPONSORS, MR. DZUBINSKI AND MR. KLAYBOR, THE JUNIORS SOLD HOMECOMING FLOWERS, CANDY CANES, AND EVEN SPONSORED A DANCE, IN ORDER TO RAISE FUNDS FOR THE 1986 JUNIOR-SENIOR PROM.

THINGS ARE LOOKING UP FOR THE CLASS OF '87. ONLY ONE MORE YEAR TO GO!

Looking Back . . .

As Editor-in-Chief of the 1986 Memory Lane, I would like to thank the staff for their hard work, dedication, patience and long hours taken in putting this yearbook together. All this involved those headaches during the few days before deadlines, typing copy at the last minute, proofreading (again and again), sizing pictures and working together as a team. All this was accomplished under the instruction of our advisor, Mrs. Bate, whom I would like to give my deepest thanks to. Thanks for all the extra hours you put in and for all the problems you somehow manage to iron out. I would also like to thank Mr. Jim Beckham, our Josten's Yearbook Representative, for answering all our questions, giving us his opinion, and making those special trips to give us a hand whenever we needed him.

The theme chosen for this year's Memory Lane was "Expressions". This was chosen because we felt that students at Washington High School express themselves well. We used the brick walls and graffiti as an example of one way that students express themselves.

Now that the book is finally completed (whew!) I hope that it expresses a little of everybody and holds many memories for all to treasure.

Monica MacGowan
Editor-in-Chief

I am
well hey Baby
I hope you never
forget about me cause
I'll be all sad & upset. Don't
forget about me & the cops
walk that strait (straight) line I only
had 1 beer officier ya! those were the
real times. Well we were about the only ones
who graduated early we were the smartest ones.
I hope your life & wedding and everything turn out
just as you planned it & only want the best for you. anyway I
love ya!
stay sweet

LOU ya!

PAM,
YOU'RE A GREAT gal
and don't worry what every
one says you're still too
cool. TAKE CARE AND I
HOPE YOU GO far.

Later on,
Shary Kubisiak
